Hi Drew -

Our goal is to get the data in the hands of the residents first. Most likely, we'd be able to share redacted results tomorrow, but exact timing will depend on what we're able to accomplish in the field.

I'll share the data with you as soon as I'm able to.

Tom, Drew --

I wanted to let you know that EPA is currently sharing with residents the latest set of sampling data at private drinking water wells in Dimock and will release the sampling data publicly once all residents have been notified.

If you have any questions, please let me know.

Have a good day -

Jennie
